Summary: Parody of Green Eggs and Ham. There's no swearing, but it's sort of a sick concept. This is actually one of NVD's games.

Disclaimer: This thing doesn't belong to me, nor do I want it to be. It's owned by NVD, one of my favorite websites. I mean no offense to Bill Clinton, the people who still believe in him, The White House and its representatives, and people who don't like PG13 humor. It's a parody of Dr. Suess's \_Green Eggs and Ham\_.

\*Bill Clinton is standing behind a podium, in front of countless CNN cameras. He starts speaking. \*

"Now, I want you to listen to me . . .

I'm going to say this one time, and one time only.

I did not do it in a car

I did not do it with a cigar

I did not do it last November

But if I did, I don't remember

I did not cause her dress to stain

I never boinked Saddam Hussein

I never did it with Sox, the cat

I might have once with Arafat  
I never did it with a whip  
I never fondled Linda Tripp  
There was one time with Margaret Thatcher  
I chased her 'round, but could not catch her.  
I did not get beyond first base  
I did not do it in her face  
I did not know this little sin  
Would be retold on CNN  
I broke some rules my Mama taught me  
I tried to hide, but now you caught me  
But I implore, I do beseech  
Do not condemn, do not impeach  
I might have got a little tail  
But never, ever did I inhale  
Now, it's time for us to get on with the business of America.  
Thank you, and good night."  
\*Applause\*  
"Hey, baby! You wanna pull down the shades? Hey Betty, turn that  
intercom off . . ."

End  
file.
